A Subcommittee of the Bay Shore-Brightwaters Summit Council

“Nominate your Neighbor”

As we travel through the Bay Shore-Brightwaters area, we notice many residential and commercial properties that attract our attention because they are so beautifully maintained.

The Beautification Society would like to give recognition to the property owners who add to the beauty of our community. If you know of a property that deserves to be spotlighted, please fill out and mail the form below. The property owner will receive a letter of thanks and certificate of recognition. The nominee’s name will also appear in the Our Schools newspaper.
