

Bay Shore/Brightwaters Street Garden Contest

Sponsored by:

The Bay Shore Beautification Society

A Street Garden is defined as a garden containing living plants which can be viewed from a public street. It may be a new or refurbished small patch with perhaps a mailbox as its focal point or a larger or more elaborate garden. All residents of Bay Shore/Brightwaters are encouraged to participate in this contest. Ten winners will be chosen. Judging by the Bay Shore Beautification Society will take place in the last two weeks of June. In July ten collectible garden plaques will be awarded. The winners will also have the option of having their gardens identified on a map which will be made available to the public so all residents might enjoy these efforts to beautify our town.

If you would like to participate please fill out the application below.
